

Connect your people, places, and spaces

The workplace experience platform that keeps on-site, hybrid, and remote teams connected, informed, and engaged

What we believe

Everyone should love where they work

We provide the first unified workplace experience platform that includes the solutions you need for workplace communications and workplace management.

By unifying the physical and digital workplace, we're helping to create a more connected experience for over 10 million on-site, remote, and frontline employees by unlocking your potential.

A Global Team

EMPLOYEE APP

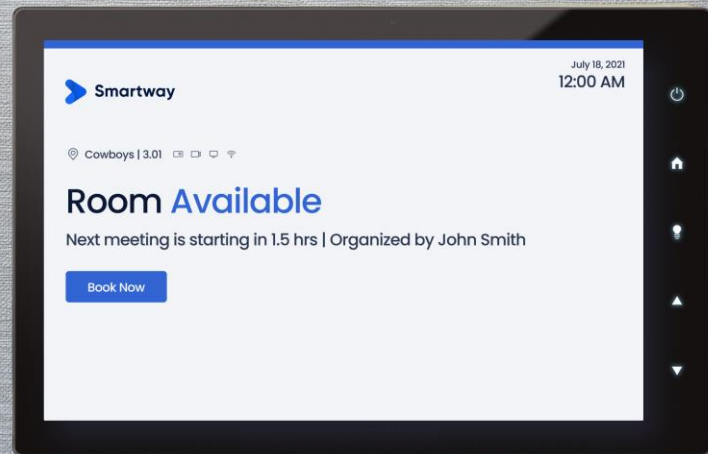

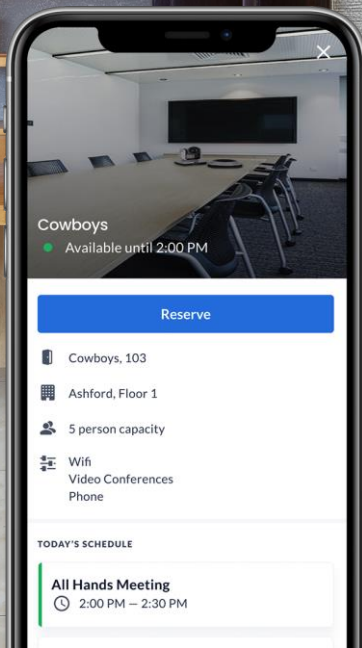

A simple app for information & workplace tools

A single destination for all employees to find the latest announcements, videos, and reservation tools when they are in the office, at home, or on the go.

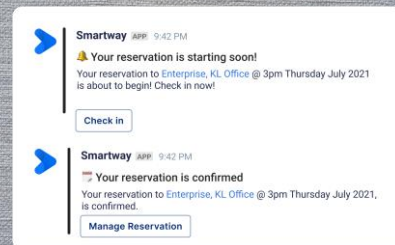

SPACE RESERVATION

Find and reserve rooms, desks, spaces, and more

Provide workers with the means to reserve resources on preferred floors, near their team, or away from all the action while adhering to capacity planning rules.

Get reservation notifications via enterprise messaging apps

DIGITAL SIGNAGE - Conference Rooms

Broadcast critical information across your physical workplace

Share the latest announcements and workplace guidance on digital signage in lobbies, team areas, hallways, and meeting spaces.

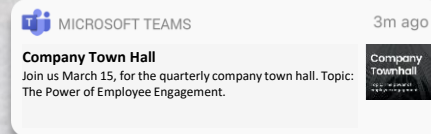

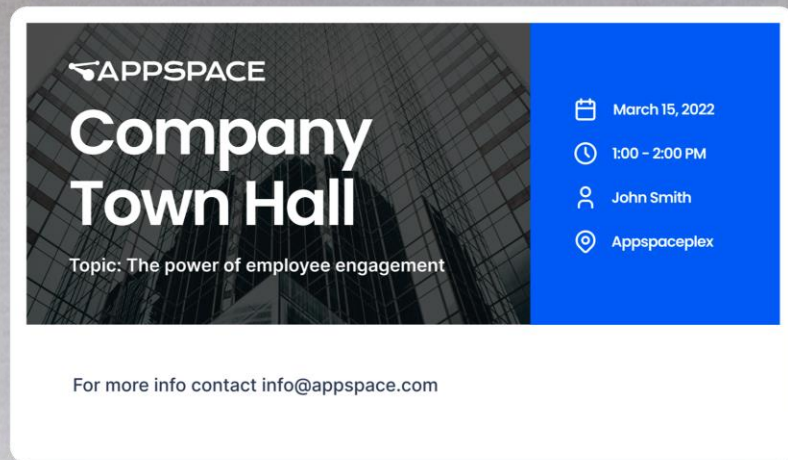

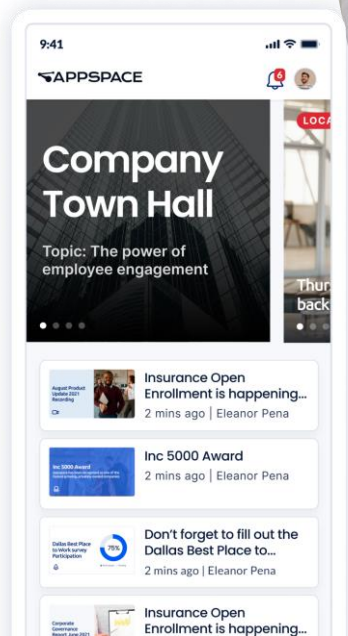

For People & Comms Teams

Provide teams with important information to keep them informed and engaged whether they are in the office, at home, or on the go.

✍ Simple Authoring

✈ Omni-Channel Publishing

📊 Content Analytics

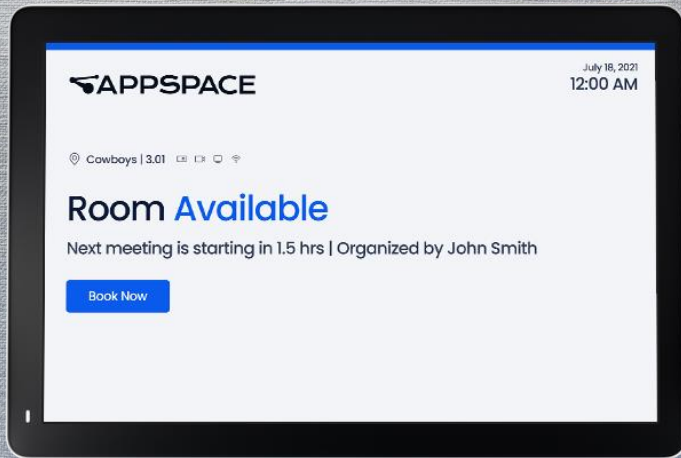

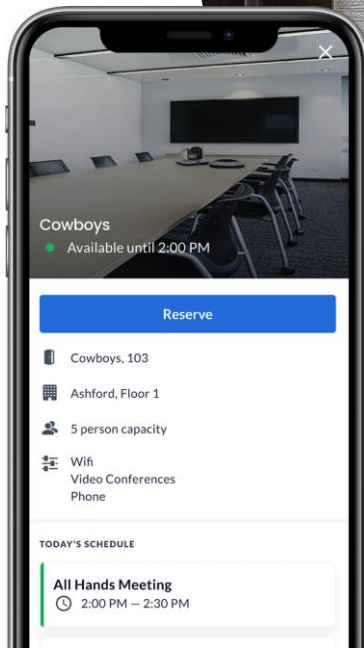

For Workplace Facility Teams

Provide employees and guests with an environment that is enjoyable to be in, effortless to access, and productive to work from.

 Safe & Secure Environment

 Space & Resource Management

 Workspace Analytics

Get reservation notifications via enterprise messaging apps

For Technology Teams

- ✓ **Simplicity**
Easy to configure, deploy, use and grow
- ✓ **Reliability**
Intuitive tools that 'just work' with a global 24/7 support team
- ✓ **Great Value**
Consolidating point solutions on a platform saves time and money
- ✓ **Flexibility**
Connect the digital and physical workplace tools used every day
